

## **PRESCIENT FUND SERVICES (IRELAND) BECOMES A PATRON OF BASIS.POINT**

Dublin, 20 April 2018

Prescient Fund Services (Ireland) Limited announced today that it has become a corporate patron of **basis.point**, the Irish Fund Industry's charitable initiative, which aims to help make a sustainable and tangible difference to the lives of those living in poverty, particularly young people, by supporting charities which focus on education.

"The Prescient Group firmly believes that investing in human capital in the form of education is key to reducing poverty and inequality, said PFSI CEO Craig Mockford. "We also believe that charity begins at home and therefore partnering with the Irish Fund Industry to support **basis.point** in improving the educational outcomes of disadvantaged young people in communities in and around Prescient's growing Dublin operation is a natural fit".

"We at **basis.point** are delighted to welcome Prescient Fund Services (Ireland) Limited as a **basis.point** corporate patron, their support is much appreciated. It is a very exciting time for **basis.point** and we look forward to developing our relationship with them so that we can continue to make a difference, through education, to the lives of young people living in poverty", said Adrian Waters, Director basis.point.
