

**NOMONDE**

**NETSHIVHAMBE**

“When we have done our best, we should wait for the result in peace”

- J. Lubbock

Nomonde is a highly driven, all-rounder and is a BCom Economics and Finance, BCom (Honours) Finance graduate. She is currently completing a Master of Science in Data Science at the University of Cape Town. She prides herself on expanding her horizons through continuous learning. In 2014 when Nomonde matriculated, she was recognised as the top academic achiever and a Dux Scholar. Whilst at the University of Cape Town, Nomonde was recognised as one of the students who displayed great resilience and was awarded the Dell Young Leader Fellowship. She took third place in the BCom EDU class of 2016. After being placed in the top 15% of her Honours class in 2018, in 2019 she was invited to join the Golden Key International Honour Society. Nomonde is passionate about social innovation and moving Africa forward.

#### **What excites you the most about investment/financial markets?**

I am fascinated by how financial markets drives the economy. It's an environment that is filled with constant innovation, which means you're always learning.

#### **Why do you believe Prescient's Graduate Program can help you achieve your current career goals?**

Prescient's Graduate Program offers great growth opportunities. Since it's a rotational program, you get to be a part of different high performing teams, that are amongst the best in their respective fields. On this journey of discovery, I've found that I learn something new every day. It's been a steep learning curve, but Prescient offers amazing support.

#### **What is the best bit of advice that you were given that you believe would be valuable to finance/investment students?**

Go all in! Keep an open mind and enjoy the journey.
