LISTING ADVISORY SERVICES

We provide consulting services on the regulatory framework of Specialist Securities and advise clients on the application of the listing's requirements for:

- > Exchange Traded Funds (ETFs) and Actively Managed Exchange Traded Funds (AMETFs)
- > Notes and Actively Managed Certificates (AMCs)
- > Structured Products

AUTHORISED PARTICIPANT SERVICES

Prescient Capital Markets is the appointed Authorised Participant of the Prescient ETF platform. This service can be extended to all ETF issuers with listings on the JSE.

The Authorised Participant is appointed by the ETF issuer to efficiently facilitate the creation and redemption process of the ETF securities and to ensure that the issued or redeemed ETFs are aligned with the underlying assets of the ETF scheme. The creations and redemptions of ETFs in the primary market is a dynamic process that involves the Issuer, Regulator, and Central Scrip Depository.

Our team of multi-skilled professionals are experienced in ETF structuring and administration, ensuring a seamless implementation that takes the administration burden away from our clients.
